

AMIR REZA BORZOUENIA

Cottbus, Germany | 0174 7475119 | amirrezaborzouei@gmail.com | www.linkedin.com/in/AmirBorzouenia

Sustainability-driven master's student with academic experience in environmental assessment, corporate ESG strategy, and EU sustainability policy. Completed a systematic literature review on European sustainability reporting regulations and their influence on corporate sustainability strategies. Familiar with LCA methodologies, LCA software (OpenLCA), ISO 14040/44/25, and sustainability disclosure frameworks. Eager to apply analytical and research skills in a consulting environment focused on environmental performance and compliance.

AREAS OF EXPERTISE

- PRISMA-based Literature Review,
- Reference Management: Zotero
- Document Preparation: LaTeX (Overleaf)
- Microsoft Office Outlook, Excel, and PowerPoint
- Life Cycle Assessment (LCA), ISO 14040/44
- Environmental Product Declarations, ISO 14025
- LCA software (OpenLCA)
- Python Programming (NumPy, Matplotlib)

EXPERIENCE

Systematic Literature Review – Study Project, Brandenburg University of Technology | December 2024 – May 2025

- Conducted a structured literature review on the status quo of EU sustainability reporting regulations and their influence on corporate sustainable strategies.
- Applied the PRISMA methodology to systematically identify, screen, and analyze over 100 peer-reviewed articles, policy papers, and regulatory sources.
- Focused on key frameworks including the Corporate Sustainability Reporting Directive (CSRD), EU Taxonomy, and Sustainable Finance Disclosure Regulation (SFDR).
- Used Zotero to organize, manage, and cite academic and policy literature throughout the research process.

Construction Manager, Abadboum Mersin Gharb, Kermanshah, Iran | November 2016 - September 2022

- Managed the planning and execution of multiple mid- to large-scale construction projects, ensuring alignment with budget, timelines, and quality standards.
- Contributed to project documentation, oversaw procurement, material selection, and logistics - gaining practical knowledge of supply chains.
- Developed strong leadership, problem-solving, and cross-functional communication skills in high-stakes environments

COMPETANCIES

- Analytical and Critical Thinking
- Technical and Scientific Communication
- Cross-Functional Collaboration
- Adaptability and Learning Agility
- German Language at Conversational Level
- Attention to Detail
- Teamwork
- Friendly and Approachable Attitude

EDUCATION

MSc, Environmental and Resource Management, TU Brandenburg, Cottbus, Germany | October 2023 - Present

BSc, Civil Engineering, Razi University, Kermanshah, Iran | September 2012 - September 2016
